It provides the swirls with almost a floral interpretation with the designs. The black background is a nice way to make your coloring pop on the page.0 of 0 people found the following review helpful. LOVE IT!By It's just meBesides my loving paisley, I truly appreciate the size of each pattern. Great for everyone but for those of us who wear glasses, your eyes won't cross trying to fill in those itsy bitsy areas.With its' black backgrounds very nice, quality paper this book rates up there as one of my favorites - so much so that I ordered a second one.0 of 1 people found the following review helpful. I did not like it the print u could barley see I wish ...By Misty JonesI did not like it the print u could barley see I wish I could get a refund or a Duff book sent. I would never recommend this to anyone. That and the fairy book
